SUMMARY

Passionate, and Motivated Front-End Developer with a Bachelor's degree in Computer Science and Engineering (B.Tech, 2024) and a solid foundation in front-end technologies. Completed a comprehensive Front-End Development course, gaining hands-on experience in creating responsive and interactive web pages using HTML, CSS, JavaScript, and React.js. Adept at learning new technologies quickly, writing clean code, and delivering user-centric web applications. Eager to apply my skills and contribute to the development of innovative digital experiences as part of a dynamic team.
